# תִּקְוָה בַּמִּדְבָּר

“Hope in the Desert” Fellowship

“Oh Yeah,  
that JEWISH THING!”

Teaching the Jewish roots of Christianity through “*Israel and Messiah in Prophecy*,” the “*Feasts of Israel*” and the “*Jewish perspectives of God’s Word*” is not only a Jewish thing, its a **good** thing because it’s a **God** thing! Three-fourths of the Bible was not written **about** the Jewish people, but **to** the Jewish people. **The Bible is a Jewish book!** Every writer of the Bible is Jewish. Our Messiah, Lord and Savior Yeshua (Jesus) is Jewish. His disciples were all Jewish! We are not Torah observant, our only authority for Truth is the Word of God. Come and partake of the richness of our faith as we study the Bible through Jewish eyes.

תִּקְוָה בַּמִּדְבָּר is a Messianic Fellowship that is made up of **both** Jewish and Gentile believers in the Messiah Jesus. Our purpose is to provide a place for Jewish people to learn from their **own** Scriptures that their long-awaited Messiah is none other than “Yeshua,” (Jesus).

To the non-Jewish believer in the Lord, our Fellowship provides a place where you can **learn the Jewish roots of Christianity and enhance your understanding of God’s Word.** It is our prayer that you will gain a greater knowledge and burden to share your faith effectively with your Jewish and non-Jewish friends.
